

Student Scandinavian (f/m)

Our team is urgently looking for an assistance in our Scandinavian Sales Team

academics.de is a joint venture of DIE ZEIT and the magazine Forschung & Lehre. We offer the largest jobmarket in the field of teaching and research in the German speaking area. Since June 2005 we are online and have already a leading role in the market. In future we want to offer Scandinavian Universities to place their job-ads additionally on academics.de

Our small team is urgently looking for assistance by a student (m/f), who has the abilities to perform a wide range of tasks.

We are looking for a native-speaker, who

- is primary going to contact (by phone) Universities in Sweden, Norway and Denmark.
- is motivated to introduce academics.de to the Universities and to convince them to place their job-ads international on academics.de
- if possible, is experienced in sales or telesales
- is interested in taking over a long lasting job to build up a strong relationship with the Universities
- wants to act as an interface between our office in Hamburg and the Scandinavian Universities
- wants to organise his work independently by himself
- wants to work from his homeoffice
- is experienced in the office-family
- has internet access

We offer

- reliable products, with DIE ZEIT in the background
- a young team
- a job with a max. of 19,5 hours per week
- EUR 10,23/hour
- Additionally a commission for each sold job-ad
- take over of the telephone costs

We are looking forward to applicants who are interested in us and in our tasks.
