WFP – Nordic Liaison Office

21st of August 2006 - 21st of February 2007

Introduction:

World Food Programme (WFP) is the United Nations food aid programme that ensures food to around 100 million hungry poor around the world. The Nordic Liaison Office has as its main task to ensure awareness of the activities of WFP in the Nordic countries.

Duties:

- Gather information about the Nordic countries approach to WFP
- Maintain contacts with relevant media, NGO's and government bodies
- Producing material and updating WFP's home pages in five Nordic languages
- Sending out newsletters, write press releases, monitoring the media and translation work
- Work on specific campaigns and out-turned activities
- To a limited extent assist other UN-organisations located in the UN House in Copenhagen such as UNFPA and UNDP

Qualifications:

- Student in Media & Communication, Political Science or Development Studies
- Swedish, Finnish or Norwegian mother tongue is a precondition
- Good computer knowledge (MS Office; knowledge of Photoshop an asset)
- Experience in public information work
- Knowledge of international relations/development issues
- Good command of English
- **Important: Applicants must be currently enrolled in university or graduate school and have completed at least two years' undergraduate studies**

WFP pays a USD 500 per month.

The contracts are on 3 months basis and are open to be renewed after 3 months.

Please e-mail your application and CV in English before 26th June 2006.
